Tiny Tracks

Fraser Coast 4wd Club Inc.

From the Editor

Welcome to the second "Tiny Tracks"

The last month saw our club's single biggest annual event, The Fraser Island Clean up.

After a lot of to-ing and fro-ing 18 families made the trip to Fraser this year.

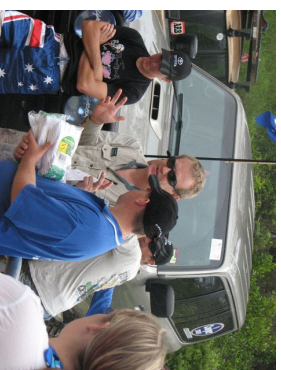

Borgie deserves a big wrap for organising this year's event under particularly trying conditions.

And a great weekend was had by all.

Club Shirts.

The new club shirt orders will be taken at the March Meeting. Samples will be available for sizing purposes. The shirts will be \$42 each, less a subsidy of \$15 per shirt (maximum of two subsidies per valid membership).

The shirts will be ordered following the April meeting and MUST be paid for in advance.

Please contact Dave (or refer to the January Tracks) for more information.

Fraser Island Follow-up

Members who attended The Fraser Island Clean up are reminded that they will soon receive an Invoice for the amount outstanding from the barge tickets.

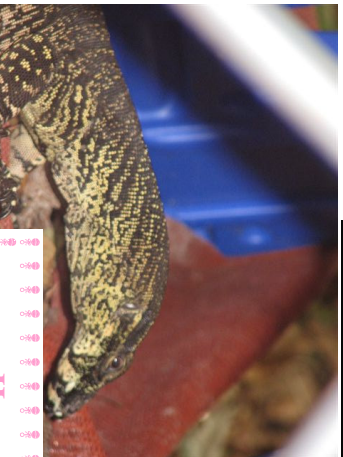

The club has generously paid the total bill on your behalf, please ensure that you pay the balance of your account promptly.

Upcoming Trips

Members and visitors alike are reminded that the current trip calendar is available on the club forum. The calendar can be directly accessed from the club's homepage. www.frasercoast4wdclub.com
